

Write a for and against essay on the topic below.

'People should be at least eighteen years old before they can do extreme sports. They're too dangerous.'
Do you agree?

- include a short introduction,
- write about advantages of the proposal,
- write about disadvantages of the proposal,
- include a summary of your own opinion of the proposal.

- Use linkers of addition and a formal style.
- Use conditionals and correct present, past and future tenses.

You can use this space for notes.

Extreme Sports

Some people think that you should be eighteen years old before you do extreme sports. _____
