Track 17: Mid-course Test Recording 3

- 1 I really like watching films so one of my favourite people is Sean Penn. I like him because he's always different in every film. I don't know exactly how old he is, but I think he's in his fifties. He's from the United States and he was married to Madonna for a short time. I would love to meet him!
- 2 I work with a really nice woman called Alena. She's from Prague in the Czech Republic and she came to London five years ago, so her English is really good. She's a chef in the restaurant, so she works very long hours. She likes sport, so sometimes we play tennis together at the weekend.
- 3 My favourite person is Claudia. We met on our first day at university and we see each other every day because we live in the same street. She always helps me when I have a problem and we enjoy the same hobbies. I can't imagine my life without her.
- 4 I don't have a big family, but I'm very close to my cousin John. We don't see each other very often because he lives in Germany. He's an English teacher there. I know he loves his job and I'm sure he's really good at it because he's very kind and funny.
- 5 I love music and I can't live without my iPod. At the moment I'm listening to Adele. She has an amazing voice and she's so young. I think she's from England. She is very successful and has lots of awards for her music. I think she writes all her own songs, too.
- 6 James Bond, of course! I know he's not a real person, but I think most men would like to be like him. He's good-looking, has a great life and he has lots of adventures. And he always goes out with beautiful women.

Track 20: End of Course Test Recording 3

- 1 I love food and I enjoy trying new recipes. I usually invite friends over at the weekend and I try different foods. I like Italian food because it's quite easy to prepare and there are so many different types of pasta and pizza.
- 2 I play the guitar and listen to a lot of music, so I really enjoy going to see bands at our local arts centre. Last week I went to see a great band who played some old songs from the 1980s. Next week I'm going to a music festival – there will be a lot of bands there.
- 3 There are some really good plays on at the moment. I'm very lucky because I live in London and we have a great choice of things to see, from musicals to serious plays and comedies. Tickets are quite expensive, but I try to go out once a month.
- 4 I'm really busy at work and I often have to work in the evenings, so I don't go out very often. Actually, I prefer to stay at home and read. I studied English literature at university and always have a book with me. At the moment I'm reading a book of short stories.
- 5 There are some fantastic games these days and they're so realistic! When my brother's at home, we often spend a few hours playing or when he's not there, I play online. I like games where you can actually learn something, so I don't play the violent games.
- 6 I love nature and being outside. I live in a valley with beautiful forests and rivers, so I often take my dog and go out for a couple of hours when the weather's good. Winter is my favourite season when it's very cold and the sky is blue and the sun is shining.
