### Reading

**16 Read the article. Are the statements true (T) or false (F)?**

#### **A weekend in London**

There are so many things to see and do in London. If you like sightseeing, there are a lot of museums and art galleries, for example the British Museum or the National Gallery. There are also famous cathedrals, churches and palaces. When the weather is good, why not go to one of the beautiful parks in the city centre, or you can walk along the river and sit in a café and watch all the people. For shopping, there are huge department stores and fantastic designer boutiques where you can buy anything from luxury clothes to souvenirs. For food, there are restaurants from every country in the world. A lot of the restaurants are expensive but there are some good, cheap Chinese restaurants in Soho. There are also a lot of theatres and cinemas for evening entertainment so there really is something for everyone!
