(Model answer)

My friend's name is Hilde and she comes from Berlin in Germany. She's twenty-five and she's a student at university in Munich. She studies Medicine. She likes music and she plays the guitar in a band. We like listening to live music. She has a dog at home in Berlin and I know she loves animals. She doesn't like cooking but she likes eating! I really like her because she's very friendly, intelligent and funny.
