AN UNUSUAL SCHOOL

Sudbury Valley School in Massachusetts, USA, is an interesting school. Every day, students there do their favourite activities. If students hate maths, they don't study it. They go to a different class!

When they aren't in class, students can check emails in the ICT room, or they can play an instrument or go to drama practice. They can also walk or play sports in the school garden. There is always something to do!

There are some rules. Students can't do anything dangerous in school, and they can't stay at home every day! But many students are very happy. Sudbury is a popular school!

Sudbury Valley is an American / British school.
