Hi Christa

Thanks for your email about your family. My home is in Cheltenham, a town in the west of England. It isn't very big but there's a lot to do here. It's got great shops, too. Every year there are festivals for music, books, and even science. It's also famous for a horse race in March.

I've got one brother and one sister. My brother has got a job in Wales and my sister is at university in Scotland. I live at home with my parents. I've got lots of friends and hobbies, so life's never boring.

On Sundays, I'm often at my grandparents' house. Their home is in a village about 20 kilometres from Cheltenham. My favourite place there is a museum called The World of Mechanical Music – it's got some amazing old musical machines.

Come and visit soon!
