Reading

11 Read the text and complete the sentences with one or two words. (10 marks)

A MEDICAL PRODIGY

Askrit Jaswall was born in India in 1993. His parents could soon see that he was more intelligent than other children. He could talk when he was only ten months old and could read adult books at the age of five. Medicine was one of his favourite interests, and he decided to become a doctor. When he was six years old, doctors in a hospital said he could watch them. He spent many hours watching them and he also read a lot of books about medicine.

Askrit went to university in India at the age of eleven to study medicine. He wants to finish his studies in India and then go to Harvard University in America. When he was younger, he saw people dying in the streets in India. They couldn't go to hospital because they were poor and didn't have any money. Askrit wants to help people like these in the future.

- 1 Askrit is from _____.
- 2 He could _____ before he was a year old.
- 3 When he was a child, Askrit was interested

- 4 Askrit went to university when he was _____ old.
- 5 Askrit wants to help _____ people who are ill.
