Volunteers needed!

Do you have any free time? Would you like to lend a helping hand to your local community? If so, then think about joining *Volunteers now!* – your local volunteer group that brings together our community.

We are currently recruiting people for the following positions:

Oak House Residence

Would you and your friends like to take care of the elderly in our community? Just a few hours every weekend is enough to get to know the residents and to get involved in some of the great service projects they do. Come along. The more the merrier!

Animal Shelter

We are looking for a committed individual to help out the sweet animals at our shelter. A rewarding experience for someone who is passionate about animals. Thanks to the kindness of our donors, this shelter provides a lovely temporary home for these stray dogs and cats. However, permanent homes must be found for these pets. As a volunteer, you can take part in that process.

Apple Orchard

This wonderful community garden was donated by a wealthy family. We are appreciative to have this community garden in our town, designed with our needs in mind. Volunteers are now needed to join the gardening committee and take care of the vegetables on the weekend.

If you are interested in any of these volunteer opportunities, please contact us on 555-0377-9045.
