

# What's in the Box?

Hello! I have a surprise for you. It's in this big box! Let's open it, to see what's inside.

Oh! What are these?  
Some scissors and  
markers  
that we put outside.

A hoop and a ball, and a toy jungle gym...

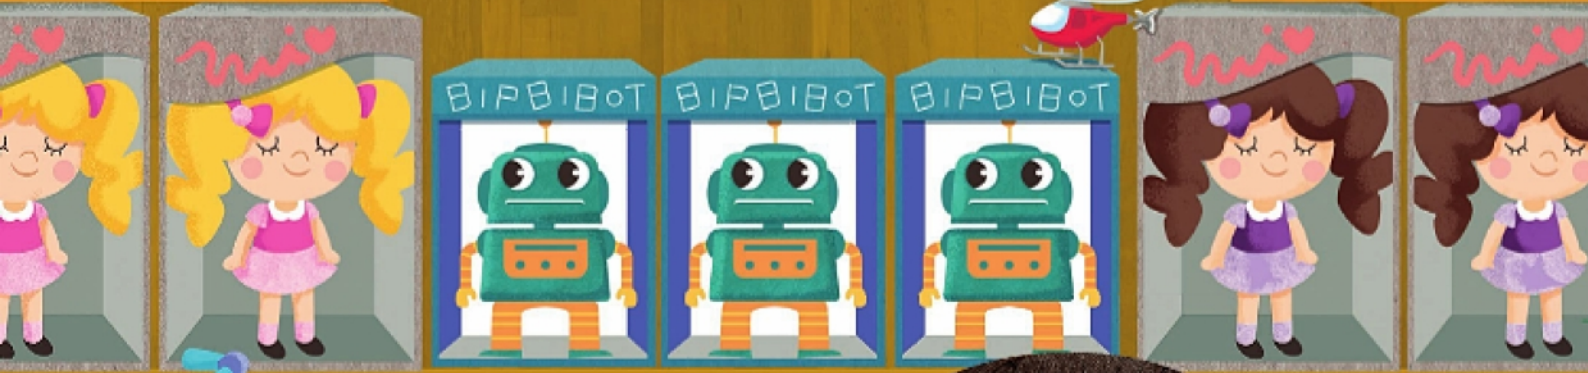

That we play with, and then put back in!

# Magical Senses!

I see with my eyes something I like.  
It's red and shiny. It's a beautiful bike!

I hear with my ears, the music my class enjoys.  
We dance and we sing together, girls and boys!

I smell with my nose, good and bad things.  
Some stinky food, and some good for kings!

I taste with my tongue, the food that I love.  
Sour, salty, sweet. It's always a treat!

# I Love My Family

Grandfathers, grandmothers, aunts and uncles,  
cousins and cousins.  
Some families are small, some others count dozens!

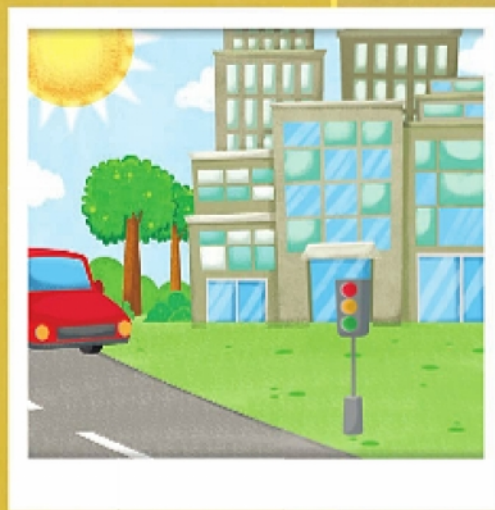

Some live in houses, some live in apartments.  
Some have a dog, a cat or a bird...  
Any pet they want to get!

But they all live with love, and stay together.  
Because they know family is forever!

# PLAYING OUTSIDE

There are parks, there are playgrounds.  
There are so many places to play.  
So, when the weather is good, go outside every day!

Do you like games? Can you swing?  
What do you have? Do you have a tricycle? Or is it a bicycle?

We can also play in our backyard.  
Do you like dolls? Do you like puppets? Do you have a train?  
You should play outside, unless there's rain!

And when you finish playing, come inside and put your toys away,  
so they are ready for the next day!

# I'm Always Hungry!

I'm always hungry. I'm sure I was hungry the day I was born. When my family goes to a restaurant I order chicken, pizza, and corn!

At home my parents serve meat and salads. We also eat soup.  
Whether it's just my family, or guests in a big group!

Please!

Next time you ask for food, at a restaurant or at home, ask for fruit, vegetables, and cheese, but don't forget to say please!

# Dress up!

GYM

It's sunny outside! The sky is beautiful. It's a good day to wear shorts or to swim. Or maybe you might want to go to the gym!

It's rainy outside. The children are wearing raincoats, and rain boots. They are all dressed up to go to school. It's not a good day to go to a pool!

It's cold outside. The children are wearing boots, hats, and clothes that are thick, like jackets and sweaters. They don't want to get sick!

When the weather is bad, make sure you dress well.  
Zip up and zip down, as you go around town!

# What animal is it?

Meow, Meow, Meow

I'm a cat! Meow!

What's that sound? Meow, meow, meow? Are you a cow?  
No. I'm a cat!

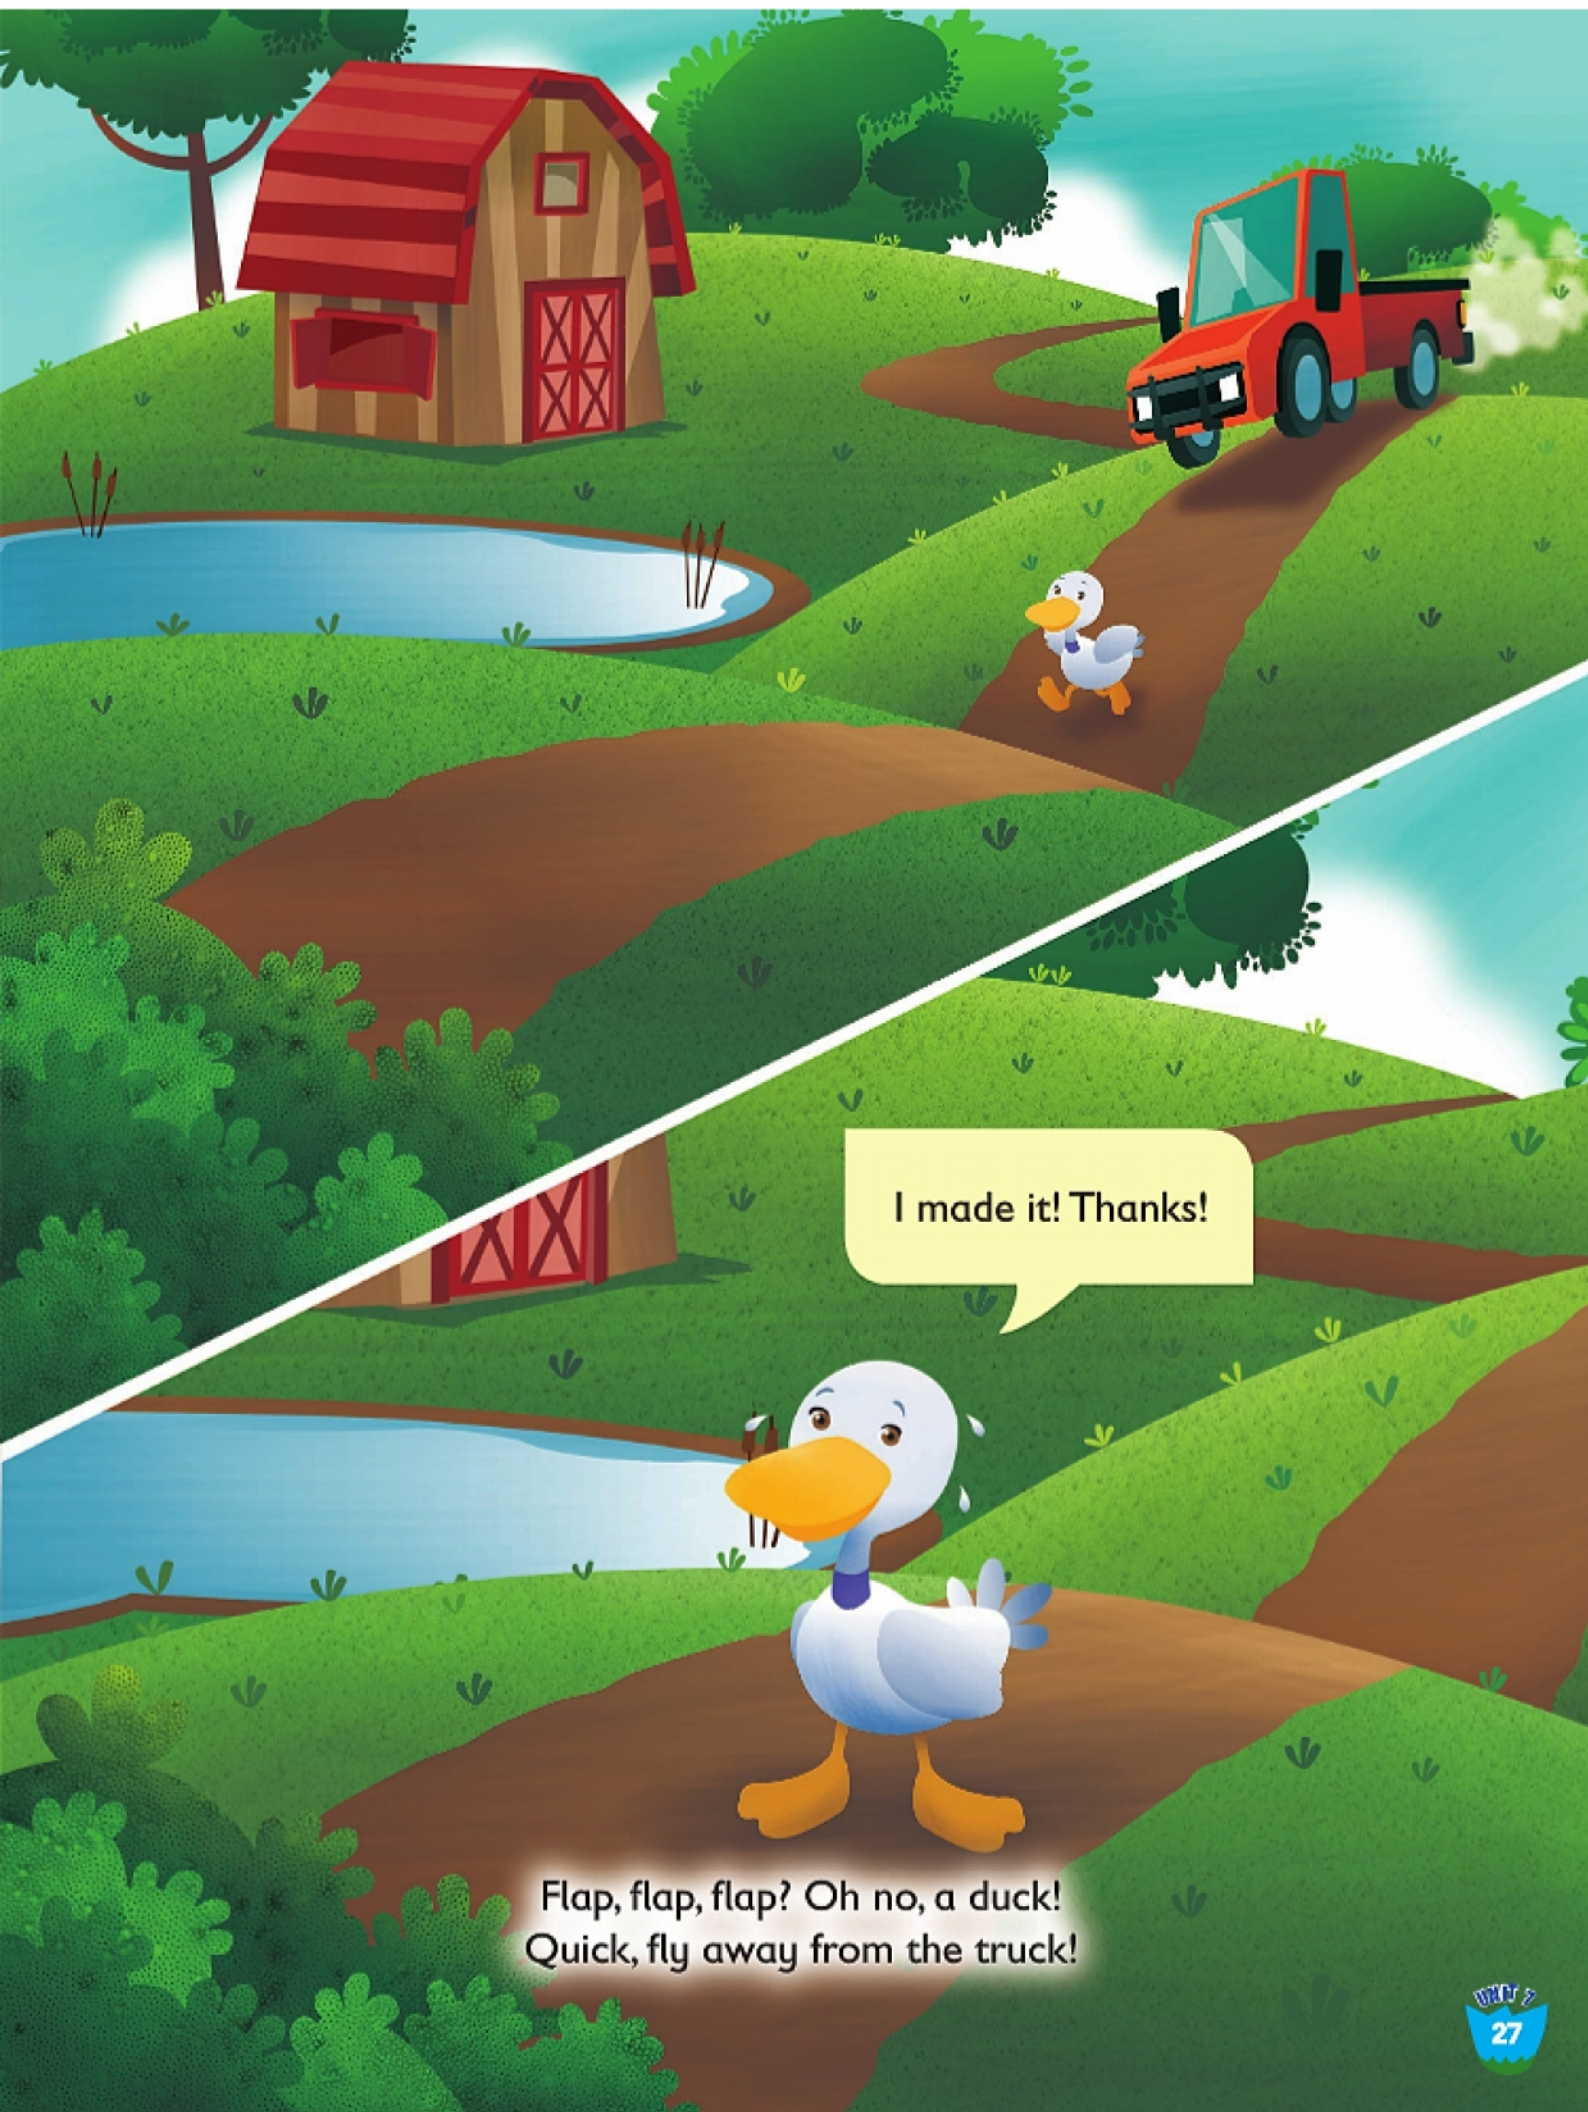

Hop, hop, hop? Do you want a lollipop? No. I'm a bunny... I want a carrot!

I want a carrot!

I made it! Thanks!

Flap, flap, flap? Oh no, a duck!  
Quick, fly away from the truck!

# Out on the Town!

The children are all excited... They are going out!  
They are going to a restaurant, to a park...and to a shopping mall.  
That's what the day is about!

Where is the mall? It's over there!  
Where are the supermarkets? They are everywhere!  
Where is the park? It's next to the lake.  
I want to play, for goodness' sake!

What a wonderful day... Oh no, it's late!  
It's time to go home, but nobody ate!
