Where Is Everybody?

Where is everybody?

Where is everybody?
Let's find out.
Upstairs... downstairs...
inside... outside!
Too many places to hide!

2

The janitor is outside,
The gatekeeper too!
Everybody is hiding...
How about you?

The gym teacher is inside,
He's hiding in the gym,
The children are all looking,
But they can't find him!

But the English teacher is in the classroom,
Very easy to find.
The children all love her,
Because she's very kind!

My Feelings

Sometimes I'm happy,
Sometimes I'm sad,
Sometimes I'm sick,
But I don't like to be mad.

When I'm sick, I see a doctor.
When I'm sleepy, I take a nap.
When I'm tired, I rest.
But when I'm happy, I clap, clap, clap!

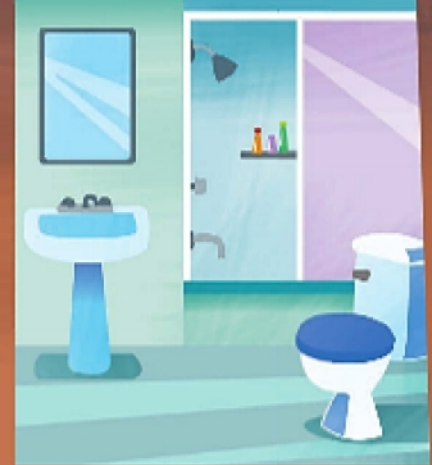

Some things scare me!
They make me stop.
Some get me all excited!
That makes me hop!

Our House Is Our Home

Our house has many rooms.
A kitchen, a living room, some places to play.
Some bedrooms, and bathrooms,
And for those who visit, a place to stay!

My family likes to eat together.
We love our kitchen. That's where we cook.
So, when we want to find someone,
that's where we first look!

Our living room is very comfortable.
We have a sofa and a big-screen TV,
We sit and eat and have soft drinks...
And everything is free!

But the most important thing about our house,
More important than our furniture,
Is that when we are at home,
We are happy to be together!

My Special Project

When we are done with something,
Plastic, paper, or even a pen,
Instead of throwing them away,
We use them all over again!

We keep our eyes open,
There's always something to recycle
A box, a napkin, plastic bottles...
They all can have a new life cycle!

So, when you walk around
Look out for cardboard, cans, or a paper cup.
We can help save the world,
With everything we pick up!

A Restaurant Celebration!

I'm so excited! We are looking at menus
We are at a restaurant, we're eating out.
Hoping to eat something delicious...
That's what it's all about!

My parents, grandparents, and sister... we're all here!
Ready for a salad, and lots of spaghetti,
But first some soft drinks, some bread and butter,
While we wait for our treat, my family and me!

We're almost done eating, with our tummies full,
But now comes the best part, our dessert!
I eat so much ice cream and cake
That I'm worried about my shirt!

We don't always eat lots of dishes,
Or all the desserts on the tray.
But today it's all right,
Because it's my birthday!

Am I Forgetting Something?

It's getting late for school. Where are my car keys?
I'm looking for my phone, too.
Don't forget your lunch box,
And any homework you had to do!

Oh, did you eat breakfast?
I'm guessing no.
Grab a banana. Pack some cereal.
We can take them and go!

Meet me outside, we are ready to leave.
First put on your sweater and tie that shoe.
It's really late, I hope we make it.
Did I forget something? Oh no! I forgot you!

My Favorite Animals!

Today we are visiting the zoo.
We see the birds.
We make a new friend.
His name is Lou!

Lou is a baby cockatoo
His tiny feathers are white.
He lives in a nest.
With his mom and dad, too!

We help feed Lou.
He is learning to fly.
We want to help,
But flying is something we can't do!

When we leave the zoo,
Lou starts to fly!
Lou can fly now!
We guess he wants to say goodbye!

A Perfect Weekend

We want to do something fun this weekend.
Let's go camping. It's a beautiful day.
We can go fishing and hiking...
We can walk in the woods and play!

We can stay in a cabin
Or set up a tent.
The tent sounds exciting!
And we don't pay rent!

We make sure our tent is safe,
And that we have enough food and water.
We pick up the trash.
We don't want to litter!

We build a campfire and roast some marshmallows.
We can tell stories, or go out and run.
We can climb some trees, or swim in the lake, too.
It all sounds like a lot of fun!
