Read the email. Are the statements True (T) or False (F)?

Hi everyone,

I hope you're all well. I'm sorry this email is for everyone but I'm very busy at work and want to write to you all.

I can't believe this is the end of my first week – five long crazy days! I've got a nice office with two big windows so I can see the river. I walk up the stairs every morning. It's good exercise because I don't have time to go to the gym.

I work with really nice people. Tom is also 28. He's a nice man and helps me when I don't know what to do. He can speak French and German and he says he can cook very well – I don't know if that's true! He plays football for the office on Wednesdays and I know he goes cycling at the weekend

Liz is American and sometimes I can't understand her English because she uses strange words! I quite like her. She can sing very well but she often sings in the office so it's difficult to work. I don't think that Tom likes her.

And then there's Martha. I like her very much. In fact we sometimes go for a walk at lunchtime. There's a big park near here and it's very nice to sit and have our lunch outside. We both like going to galleries so I hope we can do some things together at the weekends. There are so many galleries and museums here.

Write back!
