Hi Isabella,

How are you? How was the move? How's the job? Questions, questions! I am really excited because I'm in Sydney at last. It's brilliant. Why didn't you come with me? I know you didn't want to quit your job but I also know that you don't enjoy it.

I'm sorry we didn't meet up before I left but there were so many things to do. When I bought my ticket I decided to visit some friends in Singapore. We taught together 10 years ago. When I was on the plane I wasn't sure if it was a good idea after all but when I saw them at the airport everything was fine. I stayed with them for three days and then flew to Sydney.

I love it here. Everything is great, the weather is fantastic and the people are really friendly. My aunt lives here so she helped me to find a job. I only work a few hours in a café but at least I earn some money every week. I'm going to stay here for two months and then I'm going to take the famous Ghan train to Alice Springs. I love travelling by train and everyone says that Ayers Rock is amazing so I'm going to camp there for a few days. I can't wait.

I think that I'm going to meet someone special on this trip! Yes, I'm going to fall in love and get married ...

And what are your plans for this year? Are you going to change jobs? Are you going to marry Josh? I miss you. Why don't you come and join me out here? Write back soon and tell me all your news.

Love,

Tilda
