A [Track 14] Listen to Sara talking to her friend Gwen. Then check the correct answers.

Sara: Gwen, listen to this. You'll never guess what I heard today.

Gwen: What, Sara?

Sara: Rob and Julieta are getting married!

Gwen: Really? How do you know?

Sara: I overheard Rob talking to a friend at the café. He said he was going to buy a ring.

Gwen: Sara, he was talking to *me*! He said he was going to Beijing.

Sara: Oh.

Gwen: He's leaving Monday to study Mandarin for a month.

Sara: Hmm, interesting. Well, anyway, I also heard that Tony is getting kicked out of school.

Gwen: Wow! That's surprising. Where did you hear that, Sara?

Sara: I overheard two people in the office talking about it. They said he didn't show up for class for two months.

Gwen: Tony? That's impossible. Sara, he's in my geography class. He's there every day. He's such a responsible student!

Sara: Oh. Well, maybe it's someone else, then.

Gwen: Yeah, maybe.

Sara: Oh, I almost forgot! Listen to this. Sophie got a great job at Princeton University! She's going to teach French.

Gwen: Sara, you've got it all wrong! Sophie isn't going to teach French at Princeton! She's going to give a speech in French to some students for a class project.

Sara: Oh. Are you sure?

Gwen: Yes, I'm sure. And Sara, if you're going to gossip, please make sure you get your facts straight!
