A [Track 2] Listen to a conversation between two friends, Ryan and Megan. Then check true or false.

Ryan: Hi, Megan!

Megan: Hey, Ryan. Were you at that huge party last weekend?

Ryan: You mean the one that took up the whole city block?

Megan: Yeah. I can't believe how many people were there.

Ryan: I know. I didn't want to go, but my friend Doug dragged me along.

Megan: I didn't see you there. I had a great time. And we met a really cool girl there! My sister and I went to the natural history museum with her on Wednesday.

Ryan: What's she like?

Megan: Well, her name's Carla, and I thought she was pretty shy and reserved at first.

Ryan: But she's not?

Megan: Nope. Once I started talking to her, I realized she wasn't shy at all, just calm and cool.

Ryan: It just goes to show you that people aren't always what they seem like at first.

Megan: No kidding. Oh, and Carla and I discovered we have a lot of friends in common.

Ryan: Really? I'm surprised you haven't met before.

Megan: Yeah. Me, too.

Ryan: So, what does she do?

Megan: She works at home. She runs a business out of her living room.

Ryan: Doing what?

Megan: She teaches middle school and high school kids how to save money for college.

Ryan: Carla sounds like a strong and independent woman.

Megan: Yeah, she definitely is.

Ryan: Cool.

Megan: Hey, we're going for lunch tomorrow afternoon. Do you want to come?

Ryan: Sure. I'd love to meet her.

Megan: Great! Meet us at that Thai restaurant – you know, the one . . .
