A [Track 3] Listen to a conversation between two classmates, Mike and Ana. Then check the correct answers.

Mike: Ana, what did you think of the English final?

Ana: I don't know, Mike. I thought it was pretty hard.

Mike: Yeah, I thought so, too. But I feel pretty good about it.

Ana: Hey, do you know what happened to Kelly? She didn't show up for the exam.

Mike: I don't know, but we were supposed to meet right after class to talk about our final project. Do you think she's sick?

Ana: Hmm . . . I just talked to her last night, and she seemed OK. I doubt she got sick so quickly.

Mike: Well, I should have said something to Professor Atkins. I wonder if she noticed that Kelly wasn't there.

Ana: Probably not. There are 55 people in our class.

Mike: But Kelly never misses class. Do you think Professor Atkins will let her take a makeup exam?

Ana: Yeah, she let me take a makeup exam once. I suspect she'll do the same for Kelly.

Mike: I hope so. Let's call Kelly now and see if she's OK.
