

Unit 2 Quiz audio script

A [Track 3] Listen to a conversation between two friends, Krista and Doug. Then check true or false.

Krista: Wow, Doug, that's a funky coat you're wearing! I like it!

Doug: Thanks, Krista! I made it myself.

Krista: Really? I didn't know you knew how to sew.

Doug: Sure! I started taking sewing classes last fall.

Krista: And what inspired you to do that?

Doug: I was just tired of all the stuffy, conservative clothes I found in the stores. And I couldn't afford the stylish things I really liked. So I decided to make them myself!

Krista: That's so cool! So, did you make those pants, too?

Doug: No, I bought these in a secondhand clothing store. I tend to mix retro pieces with modern ones. It's my own style.

Krista: Well, it looks great on you.

Doug: Anybody can do it, Krista. It's not hard to mix and match.

Krista: I guess, but I don't know if it's me. You know what I mean? I prefer wearing more functional clothing. I hate to be uncomfortable.

Doug: You can do both – be comfortable *and* fashionable! I'll show you. Let me design something for you.

Krista: OK. Sounds great!
