A [Track 4] Listen to an advertisement for a cell phone.
Then check true or false.

Announcer: Are you fed up with your old cell phone? Does it only allow you to check your email, navigate the Internet, organize your appointments, and play games? Introducing the LifePhone, the new smartphone that can really be your very smart personal assistant! Not only does it act as a cell phone with all the regular features, but it calls ahead to confirm your appointments, makes dinner reservations at your favorite restaurants, and takes messages from callers like a human answering service. It mixes your music like a real DJ, searching through your music collection and automatically downloading songs that it thinks you would like. It even finds babysitters according to criteria that you specify – and interviews them for you! Here's what people are saying about the LifePhone.

Man: I'm crazy about my LifePhone! It coordinates my laundry, my appointments, and my tennis class! I couldn't be happier. The LifePhone has changed my life for the better.

Woman: My LifePhone saved my life! Once I was involved in an accident, and the LifePhone automatically contacted the hospital, gave them my insurance and personal information, and even called my husband. When I got there, I was taken care of immediately!

Announcer: Don't wait! Get your LifePhone today. Your life may depend on it!
