TAPESCRIPT

1

Boy: Alison, is your bike your favourite thing?

Alison: Well, it's special to me because it was given to me for my fourteenth birthday but I think I prefer my skateboard.

Boy: Really? Why is it important to you?

Alison: I saved up some money and I bought it for myself online. I got this cap for free, too.

2

Girl: Don't tell me Mark! Your favourite thing is your cat.

Mark: How did you know? Well, I love my mobile phone too.

Girl: We know that! You install new apps on it every day.

Mark: Yes and my computer is really useful for homework but my cat means more to me than anything else.

3

Boy: It's your turn Sara. What's your favourite thing?

Sara: I'm not sure. It might be this drawing or a novel perhaps.

Boy: You love cultural things, don't you?

Sara: No, I've changed my mind. It's some jewellery. It was given to me on my birthday by my parents.

4

Girl: You look exhausted Dan. Are you OK?

Dan: I'm fine. I've just finished this novel. It's the best book I've ever read!

Girl: Aha! Is that your favourite thing – apart from your baseball cap that is?

Dan: Well, if I had to choose, it would have to be my mobile phone.

5

Boy: Have you made up your mind yet, Carol? What's your favourite thing?

Carol: Let's see if you can solve this puzzle. It's quite small and it's made of wood.

Boy: Is it that box you use for your jewellery?

Carol: No, it isn't. It's that small sculpture that you brought back from Italy.
