 I was busy every day last week. On Monday, we went to the mountains and we were <sup>1</sup> climbing and then skiing all day. Tuesday was boring because I <sup>2</sup>                      studying. On Friday, my parents had a surprise for me. We went to the city centre and I was <sup>3</sup>                      with my mum for five hours. It was amazing. I <sup>4</sup>                      gloves, scarves and boots for the winter but yesterday I was <sup>5</sup>                      my swimsuit all day and I was <sup>6</sup>                      in the river near my house. What <sup>7</sup>                      you                      yesterday?  
 Hannah
