Hello friends and bloggers!

Last week was quite good fun. We went on a school excursion with my cousins and did lots of activities. On Saturday I played football and baseball very ¹ well but I couldn't run ² I was too tired. We were canoeing and I did it very ³ because I didn't want to get wet. In the evening, I went to a party with my nephew. It was great! They played the music very ⁴ and I danced ⁵ for hours! Unfortunately, after all the music and dancing I slept very ⁶ and was certainly tired on Sunday so I could only walk very ⁷ on the nature trip up the mountain. Tell me about your week. Did you do anything exciting?
