A few months ago, I was on holiday with my family. It was a lovely hot day and we were near the sea. We decided to go to the beach and have a picnic. First, we bought lots of food and drinks and carried everything to the beach. Then it started to rain. Can you believe it? We put everything into our bags and went home. In the end, we watched a film together and had our picnic inside. It was fun!

Possible answer:

The picture shows two men at a market. The man on the left is quite young. He's wearing a black and white shirt and he's carrying a backpack. He's looking at some trousers. The man on the right is older. He's got short, dark hair. He's wearing a white shirt and he's looking some shirts. I can see some more parts of the market behind the two men, with some different clothes. I don't think the two men are friends. I think maybe they are tourists and they are just visiting the same market.
