

### 1 Underline the correct options.

- Is this the place which / where serves that great ice-cream?
- Freida, who / that I met last week, is having a barbecue on Friday.
- This recipe, which / that anybody can try at home, is a classic.
- The supermarket where / which we usually go shopping is closed at the moment.
- I like toasters who / that have space for four pieces of toast.
- Is he the boy whose / who mum goes to my swimming class?

### 2 Complete using *who's* or *whose*.

- My sister, who's got a bigger bedroom than me, never tidies her room.
- Andrew Sutherland, whose from California, invented the Quizlet program.
- The cookery book, whose recipes are suitable for beginners, has been a bestseller.
- My friend's sister, whose cookery skills are amazing, made him dinner.
- Jamie Oliver, whose one of the best-selling cookbook authors, has also made lots of cookery programmes on TV.
- My friend, whose cookbook collection is very big, made me a cake for my birthday.

### 3 Fill in the missing pronouns. If no pronoun is necessary, write -.

- The cakes that I bought were horrible.
- The tables that are by the window have the best view.
- That's Harry, the boy whose dad owns the ice cream shop.
- Only use the eggs that are on the top shelf.
- I spent all the money that you gave me.
- The bakery that we usually get our bread is closed.

### 4 Cross out the extra word.

- I have a friend whose ~~his~~ name is Pietro.
- This is an oven that it can cook anything.
- The burger where I ate yesterday was yummy.
- The boys who we live next door had a barbecue on Sunday.
- The recipe, that which comes from Turkey, is world famous.
- I have a classmate that she cooks really well.

### 5 Rewrite the information in a single sentence. Use non-defining relative clauses.

- Luis Prieto opened his first restaurant when he was 19. (He was born in Salamanca.)  
*Luis Prieto, who was born in Salamanca, opened his first restaurant when he was 19.*
- Cadbury's generates more than \$3 billion a year. (They sold their first chocolate bar in 1847.)
- Borough Market is located in central London. (You can buy many types of food there.)
- Cinnamon rolls are a Scandinavian classic. (They have been around since the 1920s.)
- The Melrose Sushi Cantina closed down last week. (Its customers included Hollywood stars.)
- The world's largest ever pizza measured 1,261.65 square metres. (It was made in Rome.)

### 6 Complete the relative clauses in the text using the correct form of the verb (including the passive).

Wendy's, <sup>1</sup> which was founded (be founded) in 1969, is the world's third-biggest burger chain. The man <sup>2</sup> who started (start) the business was Dave Thomas, <sup>3</sup> whose name is (name) the restaurant after his fourth child, Melinda Lou 'Wendy' Thomas. Wendy's are famous for selling burgers <sup>4</sup> that have (have) square corners. Why the square corners? So that customers can see meat, apparently. Wendy's sells many types of burger, e.g. the Big Bacon Classic, <sup>5</sup> which was replaced (replace) with the Bacon Deluxe in 2009. Some Wendy's restaurants offer a fried-fish sandwich for customers <sup>6</sup> who desire (desire) fish instead of beef or chicken. Vegetarians can order the Black Bean Burger, <sup>7</sup> which contains (contain) black beans (of course!), wild rice, carrots and quinoa.
