Hi Mike,

How are you? Shame you missed my birthday party. I wish you ¹ had been (be) there. You can always come next year! Anyway, it was a bit of a disaster. Only five people came! If my dad ² (put) the correct date on the invitation, more people ³ (come). He'd written 'Sunday 24th' instead of 'Saturday 24th' and everyone (including you) thought the party was on Sunday! And, of course, if we ⁴ (know) that only five people were going to come, we ⁵ (not prepare) so much food. Anyway, we still had fun. I wish my mum ⁶ (make) the invitations instead of my dad. She definitely ⁷ (not put) the wrong date!

Speak soon,

Tess
