TAPESCRIPT

Reporter: So Lucy, all of you are only sixteen and you are famous. Can you tell me some things about you and your band?

Lucy: So, I'm the singer. I love singing, I sing all the time. I write the songs too. Adrian plays the drums. The two others in the band are Mike and Alison. They play guitars.

Reporter: Do you all go to school too?

Lucy: Yes, we all go to a music school. We have a long day. We start at eight o'clock in the morning and finish at six in the evening.

Reporter: And when do you do your homework?

Lucy: When we go home after dinner. We are all very tired but it's important to learn other things too.

Reporter: Do you have music lessons at school?

Lucy: Yes, I have singing lessons for two hours and a one-hour violin lesson every week.

Reporter: How often do you practise with your band?

Lucy: We practise a lot. Sometimes three hours a day. We also practise at the weekends. On Saturdays, we also have music lessons at school. So we're at school six days a week.

Reporter: That's a lot! And do you have time to go out?

Lucy: Oh, yes! I like going to the cinema with my friends. And I love walking with my family and going to parks when the weather's good.

Reporter: Lots of people like your music, Lucy. You have fans everywhere, but do you have many fans at school?

Lucy: Yes! Lots. Even some of our teachers are fans!

Reporter: You're here in Edinburgh tonight. What other cities did you visit this month?

Lucy: We were in London last night, and in Paris last week.

Reporter: Thanks a lot Lucy and good luck with your concert tonight.

Lucy: Thank you.
