Hi Daniel!

My name's Wen. I'm in your English class! I'm 21, and I'm from South Korea. What kind of music do you like? I love pop music – it's catchy! Classical music isn't my thing and I think K-pop is terrible. My brother loves hip-hop but I'm not really into it. My parents love Latin music. Their favorite singer is Julio Iglesias. He's from Spain. He's not bad, but I'm not really into Latin music. My favorite singer is Charlie Puth. Where is your favorite singer from? My brother's favorite instrument is the guitar. He thinks it's amazing but it's not really my thing. I'm really into the drums! My parents love the violin. They think it's relaxing but I think it's annoying! What's your favorite instrument?

Talk to you soon!

Hotel Guide

Review by Sako, Virginia, July 20

Lovely hotel!

This is a big hotel. It has 120 rooms, all with their own bathroom. You can see the park from some of them. It's right downtown, so it's very well located. If you have a car, there is a parking lot next to the hotel. Also, there's a gas station across from the hotel, between Forest and Lincoln. And if you're not driving, there's a subway station on Green Street. There are a lot of services near the hotel with everything you need. There is a large convenience store on First Avenue and a big department store just a few blocks away. There are many great restaurants, too. If you have kids, there's a park with a playground next to the convenience store, on the corner of Main Street and First. If you want to relax, there is a movie theater and a small library on Main Street. It's a fantastic hotel!
