New Year Plans

It's January 1st and people around the world are planning the things they want to do this year. Some of our readers share their ideas.

1 _____

I've had the same job for almost ten years so I'd like to get a new job. I had a job offer last year but the pay wasn't very good. I hope that this year I can find a job that is both interesting and has good pay. I don't need more pay than now, but I'd like at least the same.

Karen, 33

2 _____

I hate going to the beach with my friends because I can't swim. So, this year, I want to learn. I've heard there are lessons for adults at my local pool. A friend offered to teach me but I think I'd prefer to learn from a real teacher. If I can swim, then in the summer I'll get in the sea with my friends!

Maxim, 26

3 _____

I'm worried about the environment so I'm going to recycle more. I'm not very good at doing this now, but I'm going to make sure I put all my rubbish in the right box each week so I recycle as much as possible. I'll probably forget a few times, but I'll do it most weeks. I promise!

Evan, 38

4 _____

I have my own business so I work a lot and I often miss family meals and activities with friends. This year, I want to go out for dinner with my parents and brothers at least two evenings a month, and see them during the day, too. I want to go for coffee with my friends most Saturdays, too, if they're free. Often, they aren't because they work then, too!

Anne, 42

5 _____

They say that older people can't do new things but I don't believe that. I've got a friend who has just started to do Tai Chi and is really good at it. I don't think Tai Chi is for me because I prefer making things. I think I'll try to make some furniture because I'm good with my hands.

Rick, 63
