Summer plans

The summer is here! But while some of you are flying to foreign lands, many **of you have very different plans. Here, five of our readers tell us what their plans are.**

A

I'm planning to get a pet from an animal rescue centre. We had a dog when I **was young, but they're a lot of work. I think I'd like something that's** easier to look after, like a rabbit. I have to give it some thought.

Giovanna, 41

B

I'm going to work in Spain for a year. Unfortunately, I've forgotten all the **Spanish I learnt at school, so I'm going to take some lessons. I'll use** only English in my work but I need Spanish if I want to enjoy my life there.

Liam, 21

C

I'm stressed with work and moving to a new area. Because I can't take time **off, I'm doing yoga in the garden every morning. I'm not taking** lessons, just watching some videos online. I'll probably also join some **classes at the local town hall. That'll help me to meet people here, too.**

Alice, 46

D

I'd love to fly to Italy this summer but I have to stay home. My son wants to **learn to drive and we can only pay for one lesson a week. I'm going to** sit in the car with him while he practises the rest of the time. It's not going to **be easy. I'll need to work hard to stay relaxed!**

Theo, 51

E

This year, I want to go on a few walks with a friend. He walks a lot. I don't mean a short one-hour walk. He walks along the coast for hours. I'm a bit worried. I think just a one-hour walk is hard, but I want to give it a try.

Alan, 63
