**@liam** Hi all. Did you all have a good weekend? I went to a basketball game on Saturday. I've wanted to go for a long time and almost got tickets before but didn't. Then, finally, a friend from work invited me. It's noisier and more exciting than on TV. I'm going again next month. Maybe one of you would like to come with me?

**@hannah** Hi! I went to Clifton yesterday. Lots of local farmers sell their fruit, vegetables, meat and so on there. I love going there in the mornings and buying stuff for Sunday lunch. It's all so fresh. I wanted to cook a beef dish but the beef was really expensive so I ended up creating something without meat at all, with just carrots, potatoes and other vegetables. It was delicious!

**@carmen** Where was my invitation for lunch, Hannah?! I tried to see a play on Saturday night but it all went a bit wrong. Jamie forgot to bring the tickets and we had to go back home to get them. When we got back to the show, they said we couldn't go in. We had to wait for the break. We didn't want to wait for an hour so we left.

**@dylan** Oh dear! I saw a live band play. I loved them when I was young. I haven't heard their most recent music so I didn't know all the songs, but I tried to sing along anyway! They were better than I expected. They're not young any more but they played no differently. I'm seeing them again next month.

**@lance** You all had more fun than me, even Carmen! I went to visit an old house about an hour away from here. I got tickets from someone for my birthday. The guide was a bit boring at first, but it soon got exciting. Too exciting! I was suddenly in a room all alone. I tried to find everyone in a really dark area of the house. I'm usually relaxed but I was really afraid!

4 Read the messages again. Choose the correct words to complete the sentences.

- 1 It was Liam's **first** / **second** time at this kind of event.
- 2 Liam thought the experience was **similar to** / **different from** what you see on TV.
- 3 It **was** / **wasn't** Hannah's first time in Clifton.
- 4 Hannah cooked a **meat** / **vegetable** dish.
- 5 Carmen **had** / **didn't have** a successful night.
- 6 Carmen **waited** / **didn't wait** to see the second half of the show.
- 7 Dylan **has** / **hasn't** listened to all the band's music.
- 8 Dylan thinks the band sounded **the same** / **different** in the past.
- 9 Lance **bought** / **didn't buy** tickets to visit the house.
