Example answer:

My favourite room in my house is the kitchen. It is next to the hall and the living room, and it's large. It's got a lot of cupboards, an oven, a sink and a fridge. The walls are blue and the cupboards are white. There are some shelves on one wall with a lot of plants. In the middle of the kitchen there's a table. I spend a lot time cooking and my family eats dinner together in the kitchen every night.

Example answer:

In this picture, I can see a beautiful living room. I think this house is expensive. The living room is large and it's got two sofas, a small table and a plant. The sofas are large and the table is small. I think those sofas are very comfortable. The walls are light and the doors are dark. Also, it's got some stairs. I can see a door upstairs and I think it's a bedroom. There are some shelves next to the bedroom. I would like to live in this house.
