Ex 6

Example answer:

Hi Mina,

It's nice to hear from you. It's great news about your visit. You should come in the summer when it's hot and sunny. You shouldn't come in the winter – it's cold! Spring is also lovely because it's warm and not too hot. In summer, you can swim in the sea, but there are a lot of tourists. You can also eat delicious food and visit old buildings like castles. You should bring sunglasses, shorts and T-shirts – oh, and some clothes for swimming!

Best wishes,

Lucie

Ex 3

Example answer:

This picture is in a clothes shop or maybe a department store. There are two men. Maybe they're friends and they're both shopping or maybe one of them is a shop assistant and the other is a customer. I think the shop sells things for men and women because there's also a bag on a shelf. They're looking at a jumper. I think the man on the left likes it because he looks happy. The other man isn't sure. I don't think he wants to buy the jumper.
