What a day!

My name's Safi and I want to tell you about a day my family had. Last Sunday, it was my mum's birthday. Usually, we go to our favourite restaurant, but this year we didn't go there.

My mum decided she wanted to go to the beach and have a picnic. The night before, we made some food. We made chicken with rice and salad. Dad put some towels and clothes in the car and then we went to bed.

When we woke up on Sunday morning, the weather was fantastic. It was sunny and warm. We were excited about spending the day on the beach. My brother and I planned to go swimming and my parents wanted to relax.

My dad drove us to the beach. We left the house at ten o'clock. It usually takes about an hour to drive there, but that day was different. There was so much traffic that it took almost two hours to get to the beach. When we arrived, we saw there were many people there. Because of the good weather, the beach was so crowded. It was terrible.

Then it started to rain. Everyone ran to their cars and soon the beach was empty. We didn't know what to do for lunch. Mum said we should eat our picnic in the car, but Dad and I didn't want to. Then my brother, Paulo, had a great idea. He searched online for a restaurant near the beach. He called a pizza restaurant and they had a table.

We went to the restaurant and had a fantastic meal and mum was really happy. Then we went home and ate our picnic in the living room for dinner instead of lunch! That was fun!

4 Read the text again. Are the statements True (T) or False (F)?
