Ex 6

Example answer:

Last weekend, I visited my grandparents. On Saturday, we went for a walk on the beach near their house. The weather was sunny and we had a good time. I went swimming in the sea, but my grandparents didn't go swimming. I also took lots of pictures because the beach looked beautiful. In the evening, we went to a restaurant for dinner. The food was delicious. On Sunday, we went to a gallery. It was a bit boring. Then I drove home. I was tired when I arrived home.

Ex 3

Example answer:

In the picture, there is a family in their living room. There is a father, a mother and two young children. Also, there is a baby. I think the baby was born a few weeks ago. It's very small. Maybe the mum just came back from the hospital with the baby. Before that, the family had two children and now, they have three. I think the children are excited about the baby. I think the two children want to hold the baby. All the family look very happy. Everyone is smiling.
