READING

0 Where did Demi get her inspiration? C

1 How did Demi reach her goal? _____

2 Why has Demi been in the news? _____

3 What difficulties did Demi face? _____

4 What is 'trading up'? _____

_____ / 4

Trading up

A

Demi Skipper has recently been given the keys for her new home in **Tennessee, USA. But there's nothing strange about getting a new house so why has Demi's achievement been in the headlines? It's because it didn't cost her a cent. Instead, she "traded up" her possessions.**

B

If you exchange something you have for something better, then you have **traded up. Demi started with an ordinary hair pin and traded it up for a pair of earrings. After that, she traded them for a set of glasses and she carried on until she was finally able to trade a caravan for a house.** She only used her own money to pay for the delivery of the items.

C

Demi came up with the idea after hearing about Kyle MacDonald who'd done something similar back in 2006 and become famous for trying to **trade up to a house from a red paperclip. While Kyle wrote about his experiences in a blog, Demi recorded her experiences on videos and uploaded them to her vlog. Her videos soon went viral and, apart from her fans, she had TV reporters following her as well. They were all keen to see her achieve her dream of getting a house.**

D

There were some unusual exchanges during Demi's "journey" and some of **her trades didn't go as well as expected. For example, she received a diamond necklace which was worth less than she thought. There was also a car that didn't work, but she didn't give up. She just carried on trading!**

E

It took just over a year and twenty-eight trades for Demi to reach her goal. **She was driving home with her caravan when she started to arrange** her next trade. But before she'd got home, Demi managed to achieve her **dream. One of Demi's social media followers had agreed to exchange** their two-bedroom house for her caravan! In her final vlog, Demi is given the **keys to her new home, before reminding her followers that anything is** possible if you try hard enough.

4 Read the text again. Are the statements True (T) or False (F)?

0 Demi had to **pay one cent** to the **owners** of her **new home**. F

1 Demi was **expected** to **pay** to get the **items delivered**.

2 Kyle MacDonald **wasn't able** to **achieve** his **goal**.

3 Demi became **popular** very **quickly** on the **internet**.

4 Demi's **last video** shows her **receiving** the **keys** to her **house**.
