Example answer:

Hi Joe,

I hope all's well with you. I wanted to tell you about some news that I've got.

So, Kirsten and I have decided to move abroad. Guess what? We're going to New Zealand and we'll be leaving in a month's time.

We've been talking about making a change for a while now. Kirsten is fed up with her job and she wants to switch careers. I'd also like to live somewhere more relaxed because London is too noisy.

We've organised all the documents we need, but we've still got a lot of other things to do. We need to book flights and we also have to figure out where we're going to live. We were thinking of buying a house, but we might rent one at first. I guess we'll go there and then decide.

Although I'm looking forward to it, I feel a bit nervous. To be honest, I'm worried because it's such a long way. Kirsten keeps reminding me that we can come home if we don't like it. I'm sure it'll be fine!

Anyway, I wanted to share my news with you.

Cheers,

Alex

- 2 When was the first time you travelled alone?

Ex 2

Example answers:

1 (*Do you think it's good to be ambitious?*)

I think it's good to have a little ambition, but it's also important to have fun and not work too hard.

2 (*When was the last time you went to a concert?*)

I haven't been to one for ages. I probably last went to a concert about four years ago.

3 (*What's/is the most astonishing thing you've/have ever seen?*)

I saw some videos on TV last year, which showed spaceships flying over the sea. I don't know if they were real, but they were pretty amazing.

4 (*What do you need to do before you go to work or school?*)

I need to make my sandwiches, which I take to work. I also have to get dressed and have a shower.

5 (*What advice would you give to someone learning English?*)

I'd recommend using the internet to watch programmes and read articles. I'd also find someone to practise speaking with.

Ex 3

Example answer:

Both pictures show people enjoying themselves. In the first picture, there's an elderly couple, whereas in the second picture we can see a family. The elderly couple are sitting on the sofa and they're holding their phones. It looks like they're playing a game. Although they're not looking at each other, I think they're probably enjoying spending time together. In the other picture, it looks like the family's eating a meal at a restaurant. They could be in a market because there are lots of people walking around in the background. I think they're enjoying having some family time together, as well as the delicious food they're eating.

4 (*How would your life be different if you didn't speak English?*)

I'd probably have fewer opportunities at work and I wouldn't be able to understand a lot of the series I watch.

5 (*What wishes do you have/have you got for your country?*)

I wish they'd take climate change more seriously. People use their cars a lot and I don't think they want to change their lifestyle.

Ex 3

Example answer:

In the first picture, there's a couple who might be in their sixties. They're walking in the countryside and it looks like they're enjoying the scenery around them. There are mountains in the background and it looks very nice. I think they're probably feeling happy because they're doing some exercise in the fresh air. On the other hand, the second picture shows a man and a woman sitting on a train. I'm not sure if they know each other because they're not talking. The woman is looking at a laptop, which is on the table, while the man is using his phone. I'd say they're both looking forward to going home and being able to relax.

Ex 2

Example answers:

1 (*Who's/is the most optimistic person you know?*)

I'd say that's probably my mother. She never gets depressed and she's always positive.

2 (*When was the first time you travelled alone?*)

I think it was when I was eleven and I got a bus into the town with my best friend.

3 (*What's/is the most precious thing you own?*)

It's probably a watch which my grandmother gave me for my eighteenth birthday. I'd never want to lose it.
