Hi, Linda! It's my birthday tomorrow. I'm going to be sixteen! I'm going to have a party – but not tomorrow, because I'm going to be at my grandpa's house tomorrow evening. The party's going to be next Saturday. Can you come?

There are going to be about twenty people at the party. Mom's going to make the refreshments, but we need lots of cups and plates. My friend Mel is going to bring those. We have lots of soda in the fridge, but we don't have much juice. Can you bring a few bottles of orange juice?

Thanks!

There's going to be music at the party, too. My classmates Tina and Ricky are going to play their guitars for an hour. They're the best musicians in the school.
