Units 1–3 Progress Test | B

Reading

7 Read the text and choose the correct answer.

My family

My name is Pedro. I've got a sister, María, and a brother, Carlos. There are three children in our family – or four? We think our pony, Markus, is a family member! María is eleven, and she's short with long hair and brown eyes. Carlos is thirteen, and he's got dark hair and brown eyes. He's tall and slim. I'm fifteen and I'm tall, and I've got blue eyes and blonde hair. My friends say I'm confident and friendly. Our parents teach Spanish and French at the university. We're from Spain, but we live in the USA.

We leave the house at 8 a.m. – we can walk to school because it's near our house. Mum and Dad go to the city centre by bus. We have lunch at school, and our parents go to a sandwich bar.

In the evenings, we have dinner together. Dad always prepares some delicious food. We often have chicken and rice, and I love his mushroom omelettes. Mum sometimes bakes cakes for us, but she can't cook very well! After dinner, we watch TV or chat online with our grandparents in Spain. On Saturday morning, I play football with Carlos, and María goes swimming. Mum and Dad always play tennis on Saturday afternoon. We relax on Sunday – we go for a walk in the park or listen to music. I think we're a very happy family!

- 0 How many children are there in the family?
a two **b** three c four
- 1 Who has got dark hair?
a María b Pedro c Carlos
- 2 Pedro is
a American. b French. c Spanish.
- 3 Pedro's parents
